spring-boot-starter-example (0.0.1-SNAPSHOT)

Maksim Kostromin

Version 0.0.1-SNAPSHOT, 2018-06-27 08:14:10 UTC

Table of Contents

Travis CI status: [Build Status]

Chapter 1. Introduction

spring-boot magic…

Read github pages reference documentation

generated by generator-jvm yeoman generator (java-spring-boot)

Chapter 2. Implementation

To create starter we need minimal projects structure:

- autoconfigure project: `spring-boot-starter-hello-autoconfigure`
- start project: `spring-boot-starter-hello`
- testing project: `spring-boot-starter-hello-tests`
